Food Notes

All the food on this menu is freshly cooked or made to order using fresh ingredients from the Farm Shop.

Meat

All of the meat is from our instore butchery including our own handmade sausages made from local ethically sourced pork, handmade beefburgers and specially selected bacon.

Milk and Dairy

Our milk and dairy products come from Midway Farm Dairy near Radstock. Their British Fresian cows produce less milk than the modern Holstein and is of a higher quality with increased nutritional value.

As the cows at Midway are not pushed to give huge quantities of milk, their lifespan is increased, some of the cows are more than 3 times as old as the average age of a cow in the UK.

The cows spend the summer months eating the plentiful supply of grass available and in the winter they are housed (high rainfall on the Mendips!) in spacious barns with access to high quality preserved grass, water and minerals. Each cow has a soft mattress to lie on for comfort.

Eggs

All our eggs are free range and supplied to us by Paxcroft Farm at Hilperton who are members of the Laid in Britain Scheme ensuring the very highest levels of animal welfare and food safety standards.

Bread & Cakes

Our bread is provided by local bakeries and all our cakes and tray bakes are lovingly made by our own chefs and are on sale in the shop too!

Coffee

Our coffee is hand roasted in Somerset by Martin Carwardine, a fifth generation coffee roaster who also supplies the specially blended Somerset tea.

Both the coffee and tea are available to buy in the shop

Food Allergies and Intolerances

Before ordering please speak to us about your requirements and we will do our best to help. Please note that whilst we can offer products that do not contain nuts or gluten we do use both in our kitchen.

Farleigh Road Farm Shop & Café opened in August 2013 and is run by owners Liz Nelson, Ruth Priest and their enthusiastic team.

Liz and Ruth own Plank's Farm Shop near Devizes which opened in 2007 and held an ambition to open a café, which they were unfortunately unable to do at Plank's.

When the opportunity to open another farm shop with a café came up they jumped at the chance and after many years of hard work are pleased that both the shop and cafe are thriving.

All the food on the menu is freshly cooked using ingredients from the shop and our team of talented chefs make a wide range of fresh products which are on sale in both our shops including ready meals, quiches, salads, deserts and of course our lovely homemade cakes!
